NOTICE DESIGNATING CASE FOR COURT ANNEXED ARBITRATION

This case has been designated to participate in the Court Annexed Arbitration Program pursuant to Local Civil Rule 83.7(d) which requires the Clerk of Court to designate and process for compulsory arbitration "all civil cases (excluding social security cases, tax matters, prisoners' civil rights cases, and any action based on an alleged violation of a right secured by the Constitution of the United States or if jurisdiction is based in whole or in part on Title 28 U.S.C. sec. 1343) wherein money damages only are being sought in an amount not in excess of \$150,000.00 exclusive of interest and costs." Damages are presumed not to be in excess of the arbitration limit unless a certification is filed in accordance with Local Civil Rule 83.7(d) (3).

The hearing will occur approximately 120 days after filing of the Answer. Counsel have 120 days to complete discovery unless the magistrate judge orders a shorter or longer period for discovery. The court does not anticipate that matters selected for arbitration will require discovery directions. If a dispute arises which requires a ruling on a question related to discovery, counsel must move promptly before the assigned magistrate judge.

Requests to extend discovery

The arbitrator does not have authorization to extend discovery. Counsel are required to request an extension of discovery from the court and file the request via CM/ECF in accordance with the Individual Motion Practices and Rules of the U.S. Magistrate Judge for the case.

Request to adjourn an arbitration hearing

Counsel may not change the arbitration hearing date without approval from the Court.

All request for adjournment must be filed via CM/ECF – including requests made to an arbitrator assigned to the case. Requests made to the court must follow the Individual Motion Practices and Rules of the U.S. Magistrate Judge for the case. Telephone requests to adjourn an arbitration hearing are not permitted.
